About Department

Aim :

This distance education started through YCMOU in our college because this arrangement was made so that people in rural areas who could not get the regular education.

Objectives :

The period through this course in our college remote rural areas including working people, house wife's and students, adults who wish upgrade or acquire the knowledge, degree and diploma.

Method :

YCMOU Center in our college started the B. A. B. Com. Course in Session 2008-09 through this course remote areas, industrial workers, Government Servants, house wife's, adults people and students is very helpful who cannot take a regular education.

Through this course more students admitted in our Center of College and acquire the knowledge, degree and diploma.

We can see the benefit of this course to more students, workers, housewife, government teacher, adults and etc., of this area.

In this report how many students' benefits have students B. A., B. Com. In the last five years through YCMOU in our center of the college.

Outcome :

After studying through the YCMOU Center in our college more workers, students, housewife are working a different field and areas brought future and industrial workers give distance education got the promotion.

Details of Enrolled students since last five years.
